Appointment No Show / Cancellation Policy

Patient Name: _____DOB: _____ MR#:_____

At Bagshahi Bariatrics' and General Surgery we are happy to help you with your weight loss and medical needs. That includes being able to provide you an appointment when needed. We understand that there are times when you must miss an appointment due to emergencies or obligations for work or family; however, when you do not call to cancel an appointment (otherwise known as a "NO SHOW"), you may be preventing another patient from getting much needed treatment. Conversely, the situation may arise where another patient fails to cancel and we are unable to schedule you for a visit, due to a seemingly "full" appointment book. In an effort to combat this issue, please read and acknowledge the following policy:

- If your EGD appointment is missed or cancelled your account will be charged with a $100.00 "NO SHOW/Cancellation" fee (this will not be covered by your insurance company). This will not go towards the cost of your EGD._____ **Initial here**
- If your Office Visit is missed without providing a 24-hour notice your account will be charged $50.00 "NO Show" fee this is not covered by your insurance company) _____ **Initial here**
- If you cancel your already Scheduled Surgery there will be a $750.00 Cancellation Fee charged to your account. (This is not covered by insurance) For all Self Pays -There will be a 20% Cancellation fee for all Self-pay Surgeries_____ **Initial here**
- You can be dismissed from the practice if you are repeatedly a **NO SHOW** or **CANCEL** your scheduled appointments without providing sufficient notice.

I have read and understand the above policy on missing scheduled appointments without providing a 24-hour notification.
